

This week's theme is:
EASTER & HOPE

HOPE
HOPE IS THE PLACE WHERE
YOU WANT TO GO
HOPE IS THE PERSON WHO
YOU WANT TO KNOW
HOPE IS THE FEELING THAT
CARRIES YOU THROUGH
AND **HOPE** IS THE FUTURE
FOR ME AND FOR YOU

a poem by Ms Moem

I am a big fan of poetry and have always enjoyed discovering new ones written by other people as well as writing my own. Why don't you look up some poems, perhaps about hope, or birds, or Easter, and try learning one off by heart. My favourite as a child was: "Oooo, I wish I'd looked after my teeth" by Pam Ayres (I am still remember most of it! Go check it out!), but there are many many many brilliant, funny and touching poems to be found. Give it a go, you just never know, what seed it will sow...!!

- Where do you find HOPE?
- Family & Friends
 - Songs
 - Sport
 - Pets
 - Sunshine
 - Nature (Birds & Flowers!)
 - Seeing others bravery
 - Being brave yourself
 - Making & creating
 - People being kind
 - Going to church
 - Jesus
 - The sea
 - Books
 - School
 - The Nurture Room
- Even if some of these things are restricted right now they won't be forever and on the days when it feels there is none, **HOPE** is there. You just have to look & listen really closely...keep looking for the **COLOURS**.

GIVE IT A GO!
